【First Partnership with Regional Bank】
Partnership with SURUGA bank on customer referral program
Overseas remittance service "PayForex" will be featured in the
"Products/Services" page on SURUGA bank official website

Queen Bee Capital Co., Ltd (Headquarter: Minato-ku, Tokyo; Representative Director: SHENBO HUANG; hereinafter "the company"), registered as Fund Transfer Service Provider (Kanto Local Finance Bureau registration number 00010) that provides overseas remittance service "PayForex", has formed a partnership with SURUGA bank Ltd. (Headquarters: Numazu City, Shizuoka Prefecture, Representative Director and President: Kosuke Saga, hereinafter referred to as "SURUGA bank") regarding customer referral. This is the first partnership for PayForex with a regional bank.

As a result of the agreement, starting from May 10th (Tuesday), overseas remittance service "PayForex" will be linked as a new service on SURUGA bank official website (<https://www.surugabank.co.jp/surugabank/index.html>) at "Products/Services" (「商品・サービス」) page (<https://www.surugabank.co.jp/surugabank/kojin/service/>).

Founded in 1895, SURUGA bank is a regional bank serving mainly in Shizuoka and Kanagawa prefectures. With a corporate philosophy of "being a bank that makes people think, 'I'm glad you're here, I'm glad we met'" SURUGA bank has been delivering excellent services from the customer's perspective for more than 120 years.

SURUGA bank is a member of the Society for Worldwide Interbank Financial Telecommunications (SWIFT) and has been providing international money transfer services. This partnership is aiming at providing a "cheaper and faster" service for small amounts of overseas remittance and expand the brand of PayForex overseas remittance service.

We will continue to promote our overseas remittance service and develop more useful services in the future.

■ Introduction of “PayForex”

PayForex, as a 24-hour internet-based overseas remittance service, providing money transfer service to overseas bank accounts, with cost-efficient and speedy features than traditional banking services. Meanwhile, it stands out for the wide range of remittance destinations and currencies, along with multi-language support.
