AEON Bank is a retail-based financial institution, which has developed its business concept of "fusion of commerce and finance" and "retail full banking", aiming to become a " user-friendly, convenient, and easy to use" bank.

The "Convenient Services" (「便利なサービス」) of the AEON Bank website introduces highly convenient services such as "J-Debit Service", the payment application "Bank Pay", "Pension Receiving Service" and more.

The overseas remittance service "PayForex", which is posted in the same category, focus on customers who are interested in overseas remittance and is a friendly, convenient, and easy-to-understand service.

We will continue to promote our overseas remittance service and develop more useful services in the future.
