Queen Bee Capital Co., Ltd  
Lawson Bank, Inc.

## Queen Bee Capital's overseas remittance card is now available at Lawson Bank ATMs.

From September 28 (Wednesday), the overseas remittance card "PayForex ATM Remittance Card" will be available at over 13,500 Lawson Bank ATMs nationwide.

Queen Bee Capital Co., Ltd. (Minato-ku, Tokyo; Representative Director: SHENBO HUANG; hereinafter referred to as "Queen Bee Capital") and Lawson Bank, Inc. (Shinagawa-ku, Tokyo; Representative Director: Naoki Tsuruta; hereinafter referred to as "Lawson Bank") will begin offering the overseas remittance card "PayForex ATM Remittance Card" from 10:00 am in September 28, 2022 (Wednesday) onwards.

Through this collaboration, customers will be able to use the PayForex ATM Remittance Card at more than 13,500 Lawson Bank ATMs, located in Lawson stores and other locations nationwide, 24 hours a day, 365 days a year<sup>※1</sup>, allowing them to easily complete overseas remittance procedures with a single card. This will greatly enhance customer convenience.

Since 2011, Queen Bee Capital has been offering "PayForex", a fast and convenient 24-hour online overseas remittance service, that handles more than 36 currencies and allows money transfers to more than 200 countries and regions worldwide, through the recipient's bank account, cash pickup, home delivery, or E-wallet<sup>※2</sup>.

PayForex is an internet-based overseas remittance service, providing 24-hour and cost-efficient money transfer service. By cooperating with local banks, the transaction could usually complete in several minutes or within 24 hours<sup>※2</sup>. In addition, "PayForex Top Up" is a service that allows users to top up their mobile phones abroad from Japan, and PayForex also offers a multilingual support system for foreign residents in Japan.

In August 2020, Lawson Bank launched the "Smartphone ATM<sup>※3</sup>" service, which allows customers to deposit and withdraw money from ATMs without using their cards but the financial institution's smartphone application; same year in November, the bank launched an ATM cash deposit service for cooperate use; and from December 2020, Lawson Bank expended their ATM service to international money transfer services by gaining partnership with 6 other companies. Lawson Bank will strive to continue to expand its ATM services and actively work to improve customer convenience by increasing the number of business partners.

※1 Excludes ATM system maintenance hours.

※2 Please check here (<https://www.payforex.net>) as the remittance method and the time it takes for the funds to arrive differ depending on the country/region and currency.

※3 "Smartphone ATM" is a registered trademark of au Jibun Bank Corporation.

※ Please check here (<https://www.lawsonbank.jp/atm/overseas/>) for usage hours and fees for international money transfer services at Lawson Bank ATMs.

※ Please check here (<https://www.payforex.net/>) for details of the “PayForex” service.
