---

Queen Bee Capital Co., Ltd. (Headquarters: Minato-ku, Tokyo; Representative Director: SHENBO HUANG; hereinafter “the Company”), registered as Funds Transfer Service Provider (Kanto Local Finance Bureau Registration Number 00010) that provides overseas remittance service “PayForex”, is pleased to announce that on June 30, the Company was granted authorization as a Type I Funds Transfer Service Provider under Japan’s Payment Services Act.

Since 2011, the Company has provided the overseas remittance service “PayForex” as a Type II Funds Transfer Service Provider, striving to deliver financial services that combine both security and convenience.

With the recent grant as a Type I Funds Transfer Service Provider, the Company is now authorized to handle remittances exceeding JPY 1 million, which were not permitted under its previous Type II Funds Transfer Service Provider license. This enhanced authorization will enable the Company to better meet the diverse high-value remittance needs of both corporate and individual customers, including those related to overseas business expansion, study abroad, relocation, real estate transactions, and trade settlements, by offering more flexible and convenient services.

Type I Funds Transfer Service Provider authorization requires a higher level of governance and control in areas such as customer protection, operational management, internal control systems, AML/CFT (Anti-Money Laundering and Countering the Financing of Terrorism) measures, and compliance with foreign exchange-related laws and regulations.

Through securing the Type I Funds Transfer Service Provider License, the Company will further strengthen the operational expertise and compliance framework it has built over years of providing overseas remittance services and will continue striving to deliver services that

customers can use with confidence.

Looking ahead, the Company remains committed to developing accessible and convenient international financial infrastructure. By providing overseas remittance services that combine security, convenience, and speed, the Company will continue to support increasingly globalized economic activities.

Details are provided below.

■ Type I Funds Transfer Service Provider Authorization

•Authorization Date: June 30 2026

•Registration Number: Kanto Local Finance Bureau Registration Number 00010
